ENHANCE THE LOOK WITH A STAINED FINISH FROM XL

Choosing the right colours can create a real impact on a home. From sitting rooms to kitchens or bedrooms and bathrooms, colour adds both personality and character, transforming a room into a space you love. By choosing one of the distinctive stained finishes, the finishing service provides not only stunning looking doors but also a durable solution that will look good for years to come.

Why choose a stained finish?

Stained door finishes are the ideal way to retain a natural aesthetic but not compromise on your interior look and feel.

Staining enhances the authentic beauty of oak while also adding an additional layer of protection and durability for years to come.

Stains by XL are available on selected unfinished oak doors, just look for the Stains logo throughout this brochure.
